

Coast Electric Power Association
Bay St. Louis, Mississippi

SCHEDULE 2I

SMALL COMMERCIAL

(Not to exceed 25 KW in Billing Demand)

Availability

Available for commercial, industrial, and three-phase farm service and/or all other uses including lighting, air conditioning, heating and power, subject to the established rules and regulations.

Type of Service

Single-phase, and three-phase where available, at available secondary voltages. Customer shall be responsible for providing protection from single-phasing of three-phase loads. Service under this rate is limited to twenty five (25) KW demand. If demand exceeds twenty five (25) KW, the prevailing Rate Schedule 4 shall apply.

Monthly Rate

Monthly Service Charge 25.37
Plus
10.359 cents per KWH for first 5,000 KWH's plus
9.879 cents per KWH for all remaining KWH's

Minimum Charges

The minimum monthly charge under the above rate shall be the monthly service charge of \$25.37 plus \$5.00 per kW of actual demand.

Extension of Facilities

In cases where it is necessary to extend or reinforce distribution lines, service will be furnished only under the following conditions:

1. The customer shall give satisfactory assurance supported by a written agreement as to the character, amount and duration of the business offered.
2. The customer shall guarantee minimum monthly revenue not less than 1/60th of the estimated additional investment required to extend service. This shall include the additional cost of meters, transformers, and any additions to or alternations of lines and equipment necessary to make service available. Minimum charges for service shall be based on the additional investment only when this results in greater charges than those based upon the rate schedule minimum herein before provided.

Temporary Service

Temporary service shall be supplied in accordance with the foregoing rate except that the customer shall pay, in addition to the foregoing charges, the total cost of connecting and disconnecting services less the value of materials returned to stock. A deposit, in advance, may be required of the full amount of the estimated bill for service, including the cost of connection and disconnection.
